

Clothing / Belongings / Uniform

PLEASE ENSURE ALL YOUR CHILD'S CLOTHING AND BELONGINGS ARE NAMED

We recommend that your child wears comfortable clothing that is easy to manage by themselves, including shoes that they can put on and take off. We also recommend that you provide your child with a pair of wellington boots that can be left in our boot store. This allows children to access the outside area during all weathers. We have a number of wet weather suits that the children can use should they want to be outside in the rain/puddle hunts etc. Please also provide your child with a named water bottle, sun hat, suncream, and an appropriate coat for the weather conditions.

The children will get dirty, wet or muddy at some point during their day with us, so please bring a small bag/rucksack with two changes of clothes in it, including pants and socks.

Although the children do not have to wear a uniform you are able to order polo shirts and sweatshirts from the office in red, blue, yellow or green. This will save on your child's clothes but is a personal choice.

Polo shirts £9.75
Sweatshirts £10.75
